Person of Interest Profile

BACKGROUND INFORMATION:

Ontario resident [redacted] is a prominent anti-mask protester who has previously assumed a leadership role in the opposition against government-mandated COVID-19 measures. He is a COVID-19 denier, conspiracy theorist and espouses strong anti-government, misogynistic and anti-Semitic ideologies.

In October 2021, [redacted] hosted an event in London titled "Back the Blue" where he spoke his anti-government rhetoric. He spoke of the government as a "dangerous enemy" and that law-enforcement needs to make arrests of the corrupt government. He stated he was going to plan Canada-wide events to call people to action; these events did not materialize or draw much support as the year progressed.

[redacted] has been charged with a number of Criminal Code and Provincial offences stemming from his strong opposition to the COVID-19 public health restrictions. He is currently wanted on an endorsed warrant by Winnipeg Police for related offences (WPS R210026929). [redacted] is also wanted by Edmonton Police Service for offences related to COVID-19 mandate opposition (EPS CA21147061) as well as Calgary Police Service (CA21442635). He has similar charges pending in York and Toronto Region. Toronto Police Service charged [redacted] following an incident involving Premier Doug Ford where threats were made causing concern for safety (TPS 2021-918384.D53).

CURRENT ACTIVITY:

[redacted] is travelling east from British Columbia to Ottawa with a group of people to join the 2022 Freedom Convoy being hosted by various anti-COVID mandate individuals and groups currently on Parliament Hill.
